Re: Pooled Fund Project TPF-5(117) Performance Properties of Ternary Mixes

The Iowa Department of Transportation accepts the responsibility to lead the pooled fund project TPF-5(117) Performance Properties of Ternary Mixes

Iowa DOT will administer pooled fund contributions, both Federal and non-Federal, transferred through FMIS interstate transfers or through the lockbox procedure, and will review and pay expenses related to this project. All monetary transactions will be documented according to DOT procedures and Federal laws.

Other states participating in this pooled fund project are California, Illinois, Kansas, Mississippi, New Hampshire, Oklahoma, Pennsylvania, Utah, and Wisconsin.

Please contact me at 239-1205 or Carol Culver at 239-1208 if you have any questions.
