The Federal Highway Administration (FHWA) is the lead agency for the Pooled Fund study TPF-5(019), "Full-Scale Accelerated Performance Testing for Superpave and Structural Validation." The Office of Infrastructure Research and Development, FHWA, accepts the role of lead agency and agrees to receive, obligate, expend, and manage contributions from participating agencies.

The participating States are requested to submit their funding transfer request form for this project with a copy of this letter to their respective FHWA Division Office for concurrence.

Please contact Nelson Gibson at (202)493-3073 if you have any questions.
