This memorandum is in response to the January 19, 2024, email from Dennis Bachman of your staff, requesting the waiver of the non-Federal funding match for State Planning and Research, Subpart B (SPR-B) funds for TPF project solicitation number 1605, “Improving the Quality of Highway Profile Measurement” We understand that the Illinois Department of Transportation will be the lead agency for this project and John Senger will be the lead agency contact.

The proposed study meets the criteria for use of SPR-B funds used for research and development studies without non-Federal matching funds. The approval status will be reflected on the TPF website: [www.pooledfund.org](http://www.pooledfund.org), which serves as the primary mechanism for communication regarding pooled fund studies.

Larry Wisner, Highway Research Engineer, will be the Federal Highway Administration’s technical liaison for this study. Larry Wisner can be reached via telephone at (202) 493-3079 or via email at [larry.wisner@dot.gov](mailto:larry.wisner@dot.gov).

You may contact Tricia Sergeson at (202) 493-3166 or [patricia.sergeson@dot.gov](mailto:patricia.sergeson@dot.gov) if you have questions or need further assistance.
