The purpose of this memorandum is to inform you that all activities on project TPF-5(362), “Improvements to the Infrastructure Carbon Estimator (ICE)” have now been completed and the project is closed on the TPF website (<https://www.pooledfund.org/Home>).

The lead agency, Minnesota Department of Transportation should return funds to partner agencies through the Federal Highway Administration’s Fiscal Management Information System. The exact amount of funding that is to be returned to each partner can be found in the attached spreadsheet under the UDO Un-Expended Funds to be Returned to Partners column.

If you have any questions regarding the results of the funding reconciliation and/or the attached spreadsheet, please contact the lead agency contact, Timothy Sexton with Minnesota Department of Transportation. Timothy Sexton can be reached via telephone at (651) 366-3622 or via email at timothy.sexton@state.mn.us.

I appreciate your contribution to advancing transportation technology through this research project and your participation in the TPF program. You may contact Tricia Sergeson via telephone at (202) 493-3166 or via email at patricia.sergeson@dot.gov if you have questions or need further assistance.
