TPF Program Manager, Office of Corporate
Research, Technology, and Innovation
Management
McLean, VA 22101

To: Al Alonzi
Division Administrator
Austin, TX 78701

This memorandum is in response to the April 23, 2024, email from Kirk Fauver of your staff, requesting the waiver of the non-Federal funding match for State Planning and Research, Subpart B (SPR-B) funds for TPF project solicitation number 1612, “Designing Transportation Infrastructure for Electric Vehicles.” We understand that the Texas Department of Transportation will be the lead agency for this project and Chris Glancy will be the lead agency contact.

The proposed study meets the criteria for the use of SPR-B funds for research and development studies without non-Federal matching funds. The approval status will be reflected on the TPF website: www.pooledfund.org, which serves as the primary mechanism for communication regarding pooled fund studies.

Eduardo Arispe, Research Highway Safety Specialist, will be the Federal Highway Administration’s technical liaison for this study. Mr. Arispe can be reached via telephone at 202-493-3417 or via email at eduardo.arispe@dot.gov.

You may contact Tricia Sergeson at (202)493-3166 or patricia.sergeson@dot.gov if you have questions or need further assistance.
