

Transportation Pooled Fund Program

Project Title: Roadside Safety Research Program		
Project Manager and Phone Number: Rhonda Brooks (360) 705-7945	Project No: TPF-5(114) Roadside Safety Research Program, Status=Cleared by FHWA	Project is: <input type="checkbox"/> PLANNING <input checked="" type="checkbox"/> R&D
Reporting Period: September 1, 2009 to December 2009	Multi Year Project 2005- 2009—to be extended to 2011	
Description of Work Performed and Progress: The Roadside Safety Research Committee met at Texas Transportation Institute, College Station Texas in November to review the results of ongoing safety research and to develop the research plan for FFY10. In addition, the committee observed a crash test of a cable barrier system. The Committee approved five additional research projects for the coming year. A new solicitation was approved to be issued in early 2010 to invite more states to participate in the program. The results of all research conducted unther this pooled fund program and a description of ongoing and new projects can be found at the Roadside Safety website located at : http://ttiresearch.tamu.edu/l-bullard/ The Roadside Safety Committee will meet next fall in Washington State.
