Pooled Fund Study Participants

Pooled fund study TPF-5(166)

Application of Three-Dimensional Laser Scanning for the Identification, Evaluation, and Management of Unstable Highway Slopes

Dear Sir/Madam:

The Arizona Department of Transportation (ADOT) will be the lead state for the subject pooled fund study. Each state will contribute \$30,000 over two years for the project. The states currently participating are Arizona, California, Colorado, New Hampshire, New York, Pennsylvania, Tennessee and Texas. A copy of the Federal Highway Administration memorandum approving use of 100% State Planning and Research funds for this project is attached.

Sincerely,

→ \$15,000 first year
