Mr. Kevin Ward
Division Administrator

3220 West Edgewood Drive, Suite H
Jefferson City, MO 65109

Dear Mr. Ward:

The Missouri Department of Transportation will continue as the lead state for the pooled fund TPF-5(237) "Transportation Library Connectivity and Development." The Missouri Department of Transportation has accepted the role of lead agency and agrees to receive, obligate, expend and manage contributions from participating agencies. This letter is being sent to you to update that I'll be the contract administrator for the project.

The participating agencies are requested to submit a copy of this letter with their funding transfer request form for this project to their respective Federal Highway Administration Division Office for concurrence.

We continue to look forward to this research and the potential it represents for the transportation industry. Please contact me at 573-526-4328 or William.Stone@modot.mo.gov if you have any questions.

Sincerely,

Bill Stone
Research Administrator
