

Transportation Pooled Fund Program

Project Title: Roadside Safety Pooled Fund Program		
Project Manager and Phone Number: Rhonda Brooks, Research Manager (360) 705-7945	Project No: TPF-5-114	Project is: <input type="checkbox"/> PLANNING <input checked="" type="checkbox"/> R&D
Reporting Period: January 05- June 05	Multi Year Project Yes	
Description of Work Performed and Progress: The program involves the creation of a multi state technical committee to identify and oversee research pertaining to roadside safety issues. The research will be conducted by the Texas Transportation Institute and may include computer simulation, pendulum/bogie tests, analysis of real-world crash data and benefit/cost analysis as well as full scale crash tests. The partner states are planning their first organizational meeting on August 16 in Juneau Alaska where they will define the initial research program.		
STATUS AND COMPLETION DATE Percentage of work completed to date for total project Project is: <u>10</u> % <u>X</u> on schedule _____ behind schedule, explain: Expected Completion Date: <u>July 2008</u>
