Mr. Kevin Ward
Division Administrator
Federal Highway Administration
3220 West Edgewood Drive, Suite H
Jefferson City, Missouri 65109

Dear Mr. Ward:

The Missouri Department of Transportation is the lead state for the pooled fund TPF-5(247) "Field Testing Hand-held Thermographic Inspection Technologies Phase II." The Missouri Department of Transportation accepts the role of lead agency and agrees to receive, obligate, expend, and manage contributions from participating agencies.

The participating agencies are requested to submit a copy of this letter with their funding transfer request form for this project to their respective Federal Highway Administration (FHWA) Division Office for concurrence.

We look forward to this research and the potential it represents for the transportation industry. Please contact me at 573-526-2908 or Mara.Campbell@modot.mo.gov if you have any questions.

Sincerely,

Mara K. Campbell
Organizational Results Director
