Dear Mr. Pamplin:

The Federal Highway Administration (FHWA), Office of Highway Policy Information, is the lead for the pooled fund study TPF-5 (304) "2015 National Household Travel Survey." Once completed, the project will serve as the authoritative resource to understanding the travel behavior of the American public.

The FHWA Office of Highway Policy Information accepts the role of lead agency and agrees to receive, obligate, expend and manage contributions from participating agencies.

The participating agencies are requested to submit a copy of this letter with their funding transfer request form for this project to their respective FHWA Division Office for concurrence.

Please contact Adella Santos, National Household Travel Survey Program Manager, at 202-366-5021 or Adella.Santos@dot.gov, if you have any questions.

Sincerely,

David R. Winter, P.E.
Director, Office of Highway Policy Information
