This is in response to the August 12, e-mail from Aaron Bustow of your staff, requesting the waiver of the non-Federal funding match for State Planning and Research (SP&R) funds for pooled fund Solicitation #1402 "Avalanche Research Pool." Per the attached memo, the Associate Administrator for Research, Development, and Technology has determined the proposed study meets the criteria for use of SP&R funds used for Research and Development studies without non-Federal matching funds.

You may contact David Pamplin at (202) 493-3166 in the Office of Corporate Research, Technology, and Innovation Management if you have any questions or need further assistance.

Thanks!
