Subject: Lead State Acceptance Memo  
TPF-5(375) - National Partnership to Determine the Life Extending Benefit Curves  
of Pavement Preservation Techniques (MnROAD/NCAT Joint Study – Phase II)

The Minnesota Department of Transportation accepts the role of the lead agency and agrees to receive, obligate, expend and manage contributions from participating agencies. Your agency committed funds to this study. We are ready to accept your funds at this time so please transfer your funds and for accounting purposes, please indicate:

- the year of the commitment
- the amount of your commitment
- the program code

Send a copy of this letter along with the funding transfer request form (Form 1575) to your FHWA Division Office for concurrence. To ensure that our office has accurate financial records, please copy Deb Fick, SP & R Coordinator on the documents you submit for processing.

If you have any questions, please do not hesitate to contact Deb Fick at 651.366.3759 or [deb.fick@state.mn.us](mailto:deb.fick@state.mn.us)
