The Federal Highway Administration (FHWA) is the lead Agency for the Transportation Pooled Fund (TPF) Study TPF-5(477) “Update Precipitation Frequency Estimates For Louisiana (NOAA ATLAS 14 VOLUME 14)”. The FHWA Resource Center accepts the role of lead Agency and agrees to receive, obligate, expend, and manage contributions from participating agencies.

Participating States and agencies utilizing federal funds are asked to submit their funding transfer requests using Form FHWA-1575-C from the TPF Website (www.pooledfund.org), along with a copy of this memorandum, to their respective FHWA Division Office for concurrence. When completing Form FHWA-1575-C, FHWA Transfer Request, the column on the right-hand side entitled “Description of Entity to” should be filled in with the following information: FHWA Office of Technical Services, OTS-RC-1, FHWA Resource Center BPAC-300.

If States and agencies would like to contribute non-federal funds to the subject study, they may contribute via pay.gov or check. For more instructions on pay.gov or check, please refer to Chapter 11 of the TPF Program Procedures Manual: https://www.pooledfund.org/Reports/Pooled_Fund_Program_Procedures_Manual-Revised_2021.pdf.

The lead agency coordinator for this pooled fund study, Ms. Cynthia Nurmi, can be contacted at (404) 895-0996 or cynthia.nurmi@dot.gov. Ms. Nurmi is also the FHWA technical liaison and can be contacted for any questions about this study.
